

Application No. 09/776,498

Remarks

Claim 9 is amended to include "...one or more unique sites...". To support the amended claim 9, specification has been amended. As shown in **Amendments to Specification** (page 12 of this paper), the third paragraph on page 57 has been amended to include "...one or more unique sites...".

In compliance with the examiner's review, claim 9 is further amended to cross out the word "system". Claims 16 and 18 are also amended to cross out the word "system" as advised by the examiner.

Claim 14 is incorporated into claim 1 so that the fourth step in claim 1 reads "...consideration other than money that in whole or in part compensate a receiver party..."

To support the amended claim 1, specification has been amended. As shown in **Amendments to Specification**, after third paragraph on page 57, there is added a sentence that reads "Selectively, the receiver party could be compensated with consideration other than money."

Claims 19 and 20 are canceled without prejudice. Claims 2-8, 10-13, 15 and 17 remains unchanged since they are each depended from the amended claim 1.

No new matters are included in this amendment.
